LIVE STREAM: We will live stream this event through the DanceBUG app. Please encourage your dancers who have extended family, especially grandparents, to upload the DanceBUG app.

MUSIC: Some studios have not yet uploaded their music. Please do so no later than April 1st. **Music must be in a MP3format.** Thank you if you have already done so.

PROPS: All props can only be brought into the loading dock the day they are going to be used and no props can be left overnight. Props are discouraged and if used should be small enough that dancers can carry them on/off themselves.

AWARD SESSIONS & OVERALLS: At any of our scheduled award sessions throughout the weekend, if an age division is final, we will present the overall awards so families do not have to wait until the end of the competition Sunday.

We will have 2 sets of Overalls at this location. The 5 Waterloo studios that had originally registered for a small studio location (75 or less entries) and separate Overalls for the 2 studios who had registered for the Guelph event (more than 75 entries). Overalls for both locations will be in the Program.

DANCERS MEDALS: Dancers, please visit our Rhythm table in the Canada Company Hall. Julie will have a complimentary Rhythm lanyard & medal for each dancer. The dancers' placement pins can be attached to the lanyard at awards.

PROGRAMS: Studio Directors and Teachers, will receive their program from Nancy backstage. Parents can purchase programs at the Rhythm table in the Canada Company Hall.

Best Regards,
Donna & Nancy
